Courses for Exchange Students at the Slavic Department Göttingen

Dear exchange student,

The lists below assist you with compiling your **Learning Agreement** (LA).

Please note that, since these lists are based on course programs from previous or running semesters, there is no absolute guarantee that all courses listed will actually be offered when you will be in Göttingen. Given our periodic teaching program, it is, however, very likely that they will take place.

The lists mention BA courses only.

For information on MA courses, please contact me: [hpitsch\[at\]uni-goettingen.de](mailto:hpitsch[at]uni-goettingen.de).

To find additional or missing courses and titles, please search the [UniVZ](#) (choose *Philosophische Fakultät*, then *Slavische Philologie*).

Course titles are translated to English (German titles in brackets).

The language of instruction is usually German.

Looking forward to seeing you in Göttingen,

Hagen Pitsch
Erasmus+ Departmental Co-ordinator
