**Master's Degree Certificate Mathematics**

<b>Student ID</b>	<input type="text"/>
<b>First and last name:</b>	<input type="text"/>

I hereby apply for my final degree transcript and certificate.

Modules (only module-number) to be moved <b>into</b> :	
<b>voluntary additional modules*</b> Please indicate whether these are to appear with or without the marks.	<b>Credits not to be recognized in Master</b> These can potentially be counted in a doctoral degree.
<input type="text"/>	<input type="text"/>
<b>key competencies</b>	<b>Mathematics Modules (SP 1-4 modules)</b>
<input type="text"/>	<input type="text"/>
* Up to 30 C of optional additional results obtained from mathematics modules can be counted towards the grade average upon request. If the grades shall not be included they could potentially be used for corresponding modules in a doctoral degree.	

**The following grades shall be disregarded for the grade average (max. 12 C)**

module-number	grade/credits	module-number	grade/credits
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

I understand that I have the opportunity to apply for „Darlehensteilerslass“ for BAföG. This can be done directly at the Federal Office of Administration, using the “BAföG Fördernummer”.
