Nominations

Nominations should be sent by **email** one month before the application deadline directly to mobil.in@uliege.be and incoming.hec@uliege.be with the following information:

- Exchange period
- Student name(s)
- Field of study/Degree
- Birth date
- Student email

Important remark: students requiring special needs must be announced during the nomination process.

On-line application - Application form

Semester	Deadline
Fall / Q1	May 31
Spring / Q2	November 15

Academic Calendar

Semester	Dates
Fall / Q1	September – January
Spring / Q2	February – June
Resit	Mid August – Mid September

Information

HEC Liege Welcome Day: MANDATORY

HEC Liege holds a **mandatory session** for the exchange students on the saturday morning before the beginning of the semester. This session is complementary to the Welcome days organized by ULiege. Students are invited to attend all welcoming events.

⇒ [IMPORTANT DATES](#)

General Requirements

- Students should preferably be in their **3rd study year in Management or Economics** (or have gained a min. of **100 credits before the exchange**).
- **Min. 10 ECTS at HEC per semester + French (Optional)**

Language Requirements (in the selected teaching languages)

Upper-intermediate level B2 (European standards) in French and/or in English is required according to the student's program. Non-native speakers are requested to provide an equivalent international language certificate (TOEFL (80), TOEIC (785), IELTS (6.0), FCE, ...) or university certificate with the application form.

Learning Agreement

The Learning Agreement (LA) should be sent through the on-line [Application form](#). Erasmus students should send their *Before the mobility* part before arrival. Changes are allowed at the beginning of each semester through the *During the mobility* form. Students are invited to use their **home university LA form**.

Courses Offer

Third year students are invited to select from our **specific offer for Bachelor students**. **Fourth year students** can access **Master classes of Intermediate level**. For special request, please contact **HEC advisor, Muriel Bequet who will advise**. **Course selection will be adapted if needed**. Timetables are shown in the course description. Personal timetables will be available upon registration at ULiege.

COURSES OFFER

French Language Evening Course (Beginner to Advanced levels)

Fall S1 - 5 ECTS

Spring S2 - 5 ECTS

⇒ [FRENCH AS A FOREIGN LANGUAGE](#)

Exams, Grading System and Transcripts

Exams are mainly either written or oral (with business attire) or both. They can be substituted by ongoing assessment or group work (with presentation). Class participation can also be integrated in the final note. Exam information is available in the course description.

Grades range from 0/20 to 20/20. 10/20 is the lowest passing grade: [Grading scale](#)

Semester	Exam period
Fall / Q1	January*
Spring / Q2	June
Resit	Mid August – Mid September

* In case of academic calendar collision, students will be allowed to sit their exams in their home university.

Semester	Transcript delivery (digital format)
Fall	March*
Spring	July
Resit	Mid September

* Early transcript request should be announced as soon as possible by the home institution.

5 REASONS TO CHOOSE HEC LIÈGE

ACCREDITATIONS

HEC Liège is **firmly focused on its students, its alumni and its partners**. The school's commitment to, and continuing investment in quality improvement has been recognized through international certifications including AACSB and EQUIS, two prestigious institutional accreditations. HEC Liège even became the first complete Belgian business school to be doubly accredited AACSB and EQUIS for all of its activities (from bachelor to PhD, Executive Education included).

LOCALISATION

With a population totaling almost 200,000 residents, Liège is the 3rd largest city in Belgium. Its warm and festive atmosphere is one of its greatest assets. Located in the heart of Europe, the beauty of this city and its architecture, both medieval and contemporary, is worth a visit. The city's transportation facilities also allow easy travel to neighboring countries.

CULTURAL DIVERSITY

Cultural diversity is at the heart of HEC Liège. The School brings together nearly 3,500 students of more than 80 different nationalities coming from all parts of the world. This multiculturalism is constantly brewed by the arrival of 300 new international students every year (degree-seeking and exchange students altogether).

CORPORATE PARTNERSHIP

HEC Liège has strong partnerships with companies around the world. They have been building a common history for more than a century and a relationship of trust has emerged at different levels. For students, this entails various opportunities: **an internship at the end of their studies**, the presence of **guest speakers** during courses, as well as the establishment of **academic chairs associating partner companies** that wish to develop innovative skills with the School.

BUDDY PROGRAM

To help international students adapt to their new environment, HEC Liège sets up a buddy program based on common features (academic background, cultural background, language skills,...). On request, each student can be paired with a buddy (a local student) who will assist them and make sure that they feel at home.

WHAT THEY SAY ABOUT THEIR EXCHANGE AT HEC LIEGE

"I'm Abdellah, passionate about Photography and filmmaking, coming from Morocco, and more precisely in the framework of a master degree partnership between my school there, ENCG Settat and HEC Liège. I'm in HEC Liège for the two next years enrolled in a master in International Strategic Marketing. At the beginning, it was so difficult for me to adapt to a new context but since I adore diversity, I just brought my camera and started walking around... At that moment I was falling in LOVE with Liège, I felt connected with every single detail. Every single building was a huge inspiration for me, I found a colorful city. As I meet new people, I merge myself into another culture, where we collaborate together to weave a wonderful story. And that's what I have come for. That diversity which makes us full of art, of love and specially with respect and appreciation."

Abdellah
Double degree
ENCG Settat - Morocco

"HEC Liège is one of the best universities around the world, where an exchange term provided me with an amazing opportunity to explore global MBA programs, their courses and have an international and cultural immersion experience. It helped me learn the diverse curriculum, meet a bunch of amazing people, and travel to various places and explore Belgium. Overall, it has been one of the most incredible experiences being an Erasmus student at HEC Liège, which I am truly grateful for"

Divyansh
Spring Semester
Indian Institute of Management, Indore (India)

"My experience in Liege has been challenging, my first impressions of the city may have not been the accurate ones, but with the time I understood the dynamicity of the city. Despite of the fact that Liege is not like other Belgian cities, it has a characteristic environment, full of young student's life. The academic system of Liege is very different, the time needed for completing assignments is short, so good team work and stress management skills are highly recommended. The international office has been with no doubt an essential support for exchange students, accompanying students in every step of their experience abroad. I am personally feeling very grateful for all the different topics that Anne Gillet and the different offices have done for me (academically and with personal situations). Liege has definitely been one of the most valuable chapters in the book of my life, I have discovered myself and grown up a lot in different aspects that with no doubt have made me stronger, more capable, braver but humbler at the same time."

Cynthia
Double Degree
University of Pavia – Mexico
