

## Master Seminar

### **“Current developments in central banking and capital markets”**

Summer term 2025

#### *Suggested topics and literature*

In confirming your participation to the seminar (via email at: [agehrin@uni-goettingen.de](mailto:agehrin@uni-goettingen.de)), please indicate either **three seminar topics** (chosen from the list below) listed from the most to the least preferred, or your **own suggestion** of a topic related to the seminar. Your own suggestion should sufficiently differ from the topics listed below. If, instead, it happens to be only a slight modification of one of the listed topics, please additionally indicate two other topics of your choice in the descending preference order.

Consider that the literature listed below is indicative and does not necessarily need to be included in your paper. However, it is supposed to be helpful in directing your research efforts.
